

## **WSSAAA & My 24/7 Educational Services PARTNERSHIP**

The Washington Secondary Schools Athletic Administrator's Association (WSSAAA, [www.wssaaa.com](http://www.wssaaa.com)) is pleased to announce its partnership with 24/7 Educational Services ([www.my247ed.com](http://www.my247ed.com)). Among the many benefits of this agreement, clock hour fees for WSSAAA members will be eliminated. With the reduction and near elimination of the clock hour administrative burden, WSSAAA will be able to focus more precisely on working its mission; to improve the educational aspects of athletics, foster closer working relationships among athletic professional groups and Washington secondary schools, and promote high standards of achievement and ethics in interscholastic athletics.

As part of the agreement, 24/7 Educational Services will provide online tracking, recording and documentation for all clock hours offered through WSSAAA. This agreement includes WSSAAA's sponsorship in offering Washington State Approved Clock Hours and professional development services to schools and educators. More than 90 high-quality professional development clock hour courses, conferences and in-services for Pre-K through 12th grade, are available to both practicing and non-practicing educators, with a wide range of subjects and interests.
