

WSSAAA Athletic Director Service Award

This award was created to recognize those Athletic Directors who have made a significant contribution at the school, league, regional, or state level in any one-year. This is not intended to be a lifetime achievement award! The idea is to recognize hard working A.D.s for an outstanding, single achievement during any given year. The idea is to recognize people long before retirement.

 - Exemplifying creative inspiration/motivation to others
 - Other major contribution
 - **Due by March 20th**
