

New WSSAAA/WIAA Mentoring Program for New Athletic Directors

WSSAAA and the WIAA have teamed up to offer new AD's access to the information they need to be successful.

We will be offering 12 online webinars to new athletic directors across the state during the course of the school year. The information presented on the webinars will be accessible to all new AD's live on the webinar dates and free of charge. In addition, all sessions will be recorded and stored on the WSSAAA website where members will have free access to those valuable seminars. We hope that you will see the value in joining the association that represents athletic directors throughout the state.

We have 9 district mentors and hope to have a mentor for every league as well that will follow up with new AD's after every webinar if there are any questions you might have or any mysteries to clear up. Your contact information for your district and league mentors will be sent to you after the WIAA forum.

The dates for the webinars are Sept 9, Sept 16, Sept 23, Sept 30, Oct 14, Nov 4, Dec 2, Jan 13, Feb 10, March 10, April 14, and May 12.

All webinars will be Tuesday mornings at 9:30.

Webinars will have a variety of information for new AD's to help acclimate them to the rigors of their jobs each respective season. We hope that you will join in live or through the recorded sessions and make contact with one of the mentors. WSSAAA and WIAA hope to assist you in making your first year a successful and memorable one. Please let us know how we can further assist you as the year progresses.

Special thanks to All-American Publishing, WSSAAA sponsor for providing "Athletics Strengthens Education" t-shirts for all new AD's in the state.
