

**WASHINGTON STATE SECONDARY ATHLETIC
ADMINISTRATOR ASSOCIATION (WSSAAA)
ROBERT POLK MEMORIAL LTI SCHOLARSHIP**

Robert Polk served as the Director of Athletics, Activities, Health and Fitness for the Everett Public Schools (EPS) from 2004 until his sudden passing on April 11, 2021. Growing up in Port Orchard, Washington playing football and basketball at South Kitsap High School; Robert learned and later practiced the value of having a great work ethic, being a great teammate and growing as a person and professional. He respected and possessed a passion for the job he had. He lived the ideals of being humble in victory, gracious in defeat and to leave everything better than you found it.

Robert's legacy will be his dedication and advocacy for ALL of the students, athletes, coaches and colleagues whose lives he touched directly or indirectly. He left all of us as better people for having known and been around him.

In honor of Robert Polk and his professional commitment to all kids, the WSSAAA will provide scholarships for ALL Athletic Directors working to become a Certified Athletic Administrator (CAA). The scholarship will include a reimbursement for the following:

- 1) Two of the five required classes to become a CAA only**
- 2) Cost to take the CAA exam**
- 3) **Anyone with a desire to reach the CMAA level will be reimbursed for the cost of the CMAA exam only, no CMMA classes are covered****

Once the CAA has been achieved the applicant will be reimbursed for the costs noted above to reach the level of a CAA.
